ICE

Plenty of Ice!

We are now running our own Ice Wagon direct from the plant to the city of Oregon, and can furnish the people of Oregon with Good Hard Ice, and guarantee our weights to be as represented. We have a No. 1 man on the wagon that will deal on the square between seller and buyer. Our experience has taught us that the quicker you get ice from the freezing tank to your refrigerator, the harder and better the ice—consequently the colder your refrigerator, and the less money for your summer's ice.

Our price is 50c per hundred pounds or \$5.00 per book of 1,000 pounds—cash in advance. Since we have adopted this system we find we are able to run our business in a more economical way, as the man that pays for his ice don't have to help the manufacturer pay for the man that orders a book and uses the ice, and dodges you all the future time, to keep from paying his ice bill.

Now, when you are ready to commence using ice, call us at the plant in Forest City, by either telephone, or stop our wagon, and you shall have prompt service.

Remember this—the clearer the ice, the purer the water it is frozen from.

M. E. Church Notes.

Next Sunday will be one of my busiest days. I will preach morning and night, here in town, teach my Sunday school class, preach at the Culp schoolhouse in the afternoon, and teach the Bible class there and conduct the Bible study class in the Epworth League in the evening. This life is a busy one.

On Wednesday night of last week, I was in Tarkio, Mo., acting as judge in the College Oratorical Contest. There were six contestants, and all the orations were of a very high order. I was no easy matter to choose the winner.

On Friday, May 22, I was in Barnard, Mo., where I had the pleasure of assisting in celebrating the 100th birthday of an old-time friend, Brother Isaac Price. I was his pastor for four years, and it was a real pleasure to again visit him. There were about 250 people present. In the afternoon, a program of song and addresses was given. An address was given both by the present pastor and the former pastor. Brother Price is still hale and hearty, sleeps well and eats three good meals every day.

We sent another case of eggs away this week. This time to the Deaconess Home in Kansas City, Mo. This makes the second case we have sent away this spring. While it does not mean much to each contributor, yet at the same time, it means much to the institution receiving them. The eggs were cheerfully given and very gratefully received.

The St. Joseph District of the Methodist Episcopal Church is to have an Efficiency Conference lasting one day, to be held in St. Joseph on Monday, June 15. Our local church is taxed a small amount to help in defraying the expenses. The following speakers will appear on the program: Rev. A. F. Ragatz, D. D., of Denver; Rev. Clarence True Wilson, D. D., of Topeka; Rev. Chas. Boswell, D. D., of Philadelphia; Dr. E. R. Fulkerson, of China; Bishop Smith, of St. Louis; Dr. P. J. Maveety, of Cincinnati; Dr. H. J. Coker, of Denver; Dr. Fred P. Fisher, of New York; Bishop Shepard, of Kansas City, and Dr. C. J. Chase, of St. Joseph. This will be a great program, and it is to be hoped that a large number of our laymen will plan to attend the meeting.

We united with the other churches at the Presbyterian church in the Memorial Services, last Sunday morning. All the pastors in town were present, and each had something to do with the program. Brother Dawson, of the Christian church, presided; Brother Dissinger led in the prayer; Brother Kiplinger offered the invocation; Brother Lukens read a Psalm and I read the Scripture lesson. The singing was good, and the sermon by Brother Claggett was helpful, broad, and optimistic. He greatly pleased the people and especially the "Boys in Blue." The Decoration day services will be held in the Presbyterian church next Saturday, and the address will be given by Judge Alkire.

We had a fine time in the Sunday school last Sunday. There were 122 in the school in town, and 48 in the school at the Culp schoolhouse. The people are already talking the annual picnic, and this year it is the purpose to unite the two schools and picnic together.

The Epworth League was very largely attended last Sunday night and the study was the Gospel of Matthew. The young people took hold of the work like veterans. The subject next Sunday night will be, "Mark and His Gospel."

There was a good-sized crowd out for the union service, last Sunday night. Two addresses were made, one by Brother Claggett and the other by Brother Dawson. They were much enjoyed by the people present. It is more than likely the next union service will be held in the park or air dome, where we will not be so uncomfortable on account of the heat.

Tonight, (Thursday), at 8 o'clock I want to meet all the teachers in the Sunday school and others who can come, at the church. I will have a message for them. Don't fail to be on hand.

How rapidly the time flies. But three days more and the month of May is gone, and ere we know it we will be in mid-summer, and the autumn time again, with its leaf of sear, and its days of melancholy. My friend, we are hastening on to the end, and what will the judgment be? Stop, Ponder, Think.
